Binding off - work the stitches as they present themselves, that is, knit the knit stitches, purl the purl stitches; to make a nice corner work the last two stitches together; sewn-binding-off (can't frog, must be taken out stitch by stitch) is good for garter stitch and causes stockinet to curl less stubbornly - "Break wool, leaving a good working length, which is threaded through a ...

### Stitchbitchery | a life in stitches

A "reactive" lifeline through complicated stitches is tricky. With knit and purl stitches, you can keep turning the work so you're always looking at a knit stitch (a V), which will make it clear how to run the needle through the stitch. Hope that helps! S t a c i

### Lifelines - v e r y p i n k . c o m - knitting patterns ...

Slip all the stitches onto the needle. Hold them securely. Thread the lifeline into the little hold on the needle that is holding the stitches. Once its threaded, slip all the stitches back onto the cable. Pull the lifeline from the little hold. Your lifeline is now in place. If you were using stitch markers, they will be caught in the lifeline.

There is more room around the stitches at the cord which will make it easier, and faster, to add your life line. DO NOT KNIT THE LIFE LINE. I can't stress this enough! You do not knit the life line. The life line will just sit through your stitches as you knit the next row. It will act as the cable, but does not move to the next round with you.

The word I drew from my word hoard for this stitch pattern is Life, suggested by Nim, a Patreon supporter. I'm pleased by the kite shapes in this one. Each month, my Patreon backers have the chance to suggest words for me to encode as knitting stitches. I make three of these into knitting stitches each month: the second and third (posted on the first day of the next month) are drawn from the ...
