## **A Philosophy Of Music Education**

Philosophy of Music Education. As an educator, my role is to provide a safe and welcoming environment for students to learn and grow. It is important for learning to take place in such an environment so that students are not only free to be themselves, but free to make mistakes. This way, mistakes happen in a safe, forgiving environment where students can learn from them before they have to learn those lessons in the real world.

## **Music Education**

Bennett Reimer states that “music education exists first and foremost to develop every person's natural responsiveness to the power and the art of music”.<sup>8</sup> Although I agree that this is one reason that music education exists, I wouldn't say that it is the only reason. As stated above I feel that music is multi-faceted, therefore the importance of music education is also multi-faceted.
