and Mary Wollstonecraft, a rich and colourful thread of radicalism runs through a thousand years of British history.

A Radical History Of Britain eBook by Edward Vallance ...

A Radical History of Britain pretty much does what it says on the tin, although Vallance does admit in the introduction that it is largely about England rather than Britain. The book is split into seven parts, each with several chapters, that focus on particularly contentious periods in English history, including: the English Civil Wars; British radicalism around the time of the French Revolution; Chartism; and the Women's Suffrage movement.

Amazon.com: Customer reviews: A Radical History of Britain ...

Background. The Radical movement arose in the late 18th century to support parliamentary reform, with additional aims including lower taxes and the abolition of sinecures. John Wilkes 's reformist efforts in the 1760s as editor of The North Briton and MP were seen as radical at the time, but support dropped away after the Massacre of St George's Fields in 1768.
