I'm a college student and I had been doing a little research on which kind of speakers to get for my laptop (because the ones that come integrated on the laptop are lousy), and I finally decided on the Altec Lansing ATP3 set. I am extremely pleased with the quality of this product, its sound, and especially with the subwoofer--it has great bass.

Altec Lansing includes RCA to 1/8" adapters with the set in case the digital outputs on your source are not the RCA type (as is the case with most soundcards, which use 1/8" outputs). The controls ...

**Altec Lansing ATP 5 Review - Introduction**  
I have Altec Lansing S100 5.1 speaker system...it's still working till today and I left it in Ipoh. Another would be Altec Lansing ATP3 2.1 speaker system still working till now. I'd must say that these days, the quality has dropped down.
