When it comes to the page of the hippopotamus not knowing if she should stay or go, our daughter always says "awe" as if she is being empathetic to the hippos shyness. We have read this to her 3 and 5 year old cousins and they enjoyed it as well. The three year old asked why the hippo didn't like to play with the other animals.

It might sound strange to call a board book “long awaited,” but for those who have puzzled and perhaps even argued over the message of the great Sandra Boynton’s 1982 “But Not the Hippopotamus,” the arrival of a follow-up called BUT NOT THE ARMADILLO (Simon & Schuster, 14 pp., \$5.99; ages 0 to 4) is exciting news. In the previous book, a solitary hippo politely refused to join other animals in various activities — dancing, shopping, drinking juice.

But Not the Hippopotamus is a masterpiece of a book. It's about animals doing many activities but the Hippopotamus not involving themselves in any. I read this book so many times as a child because of how good the writing is and the compelling storyline. I appreciate the happy ending as many good books have sad endings.

Parents need to know that Sandra Boynton's But Not the Hippopotamus teaches very young children about rhyming words, animals, and being a friend. Groups of animals (a hog and a frog, a cat and two rats, a moose and a goose, etc.) are shown having fun together, while a lonely hippo looks on.

But Not the Hippopotamus Book Review

The editorial board is an institutional voice, but it is not the voice of the institution as a whole. That's a crucial distinction that often gets lost. The board doesn't speak for the newsroom.
