Choke Valve Sizing App Install the SizeFlo app on your mobile device and calculate valve capacity, flow rate, pressure drop and more. Available for Apple, Android and BlackBerry. Master Flo's MFSizing software is also available for download onto your computer.

## **Choke Valves - Master Flo**

As stated earlier, the upstream operating pressure of the valve is spec'd at 8600 kPa (although MAWP is 10000 psi). However, the current U/S pressure is 11000 kPa resulting in a valve that doesn't need to be opened as wide to get the same flow. Getting the same flow through a smaller area means one thing.....increase in velocity through the valve.
