### **New book celebrates the landscapes and legacy of ...**

Lancelot "Capability" Brown was the most influential landscape designer of the 18th century, and his name became synonymous with what became known as the English landscape garden. The extent and nature of his influence are, however, still fiercely debated. An important new book published today (2 November 2020), co-edited by University of Sheffield academic Dr Jan Woudstra, about Brown takes his neglected role as royal gardener for its starting point and explores his business methods
