One apologist who has risen to this challenge is Dr. Craig Keener; he published a two-volume work in 2011, *Miracles: The Credibility of the New Testament Accounts*. This work earned two responses in the new John Loftus anthology, *The Case Against Miracles*, one by Darren Slade and another by Edward

## **Debunking Christianity: God's Spotty Performance on Miracles**

Craig Keener's *Miracles* is thus a major contribution to understanding the Christian faith, past and present. The book is all the more valuable because of Keener's thoughtful and bold analysis of the scientific method and the means by which we can test the miraculous.

## **Miracles, 2 Volumes | Baker Publishing Group**

With this book Craig Keener intends to expand upon his ideas as presented in a footnote in his recent commentary on Acts. His primary thesis is that eyewitnesses do offer miracle claims. He spends much of the book defending this thesis, and specifically targets the materialistic assumptions of David Hume and those who follow him.

In fact, hundreds of millions of people today claim to have experienced miracles. Frank interviews New Testament scholar Craig Keener not only about the reliability of the miracle eyewitness accounts of Gospels and Acts but also documented modern-day miracles. The evidence will leave with more than just something to think about.

## **Miracles with Dr. Craig Keener [Part 1] | Cross Examined**

...

Craig Keener has just written a major two-volume work on miracles, and it's worth looking at because in the first part he deals with miracles in the ancient world but the rest of it deals with documenting the kinds of miraculous claims that exist around the world particularly in situations where there doesn't seem to be another explanation ...

## **Is it rational to believe in miracles? - Centre for Public ...**

Craig Keener's Miracles is just such a book. Ever since the rise of the Enlightenment, academic circles have been inculcated with a naturalistic, anti-supernatural bias that pervades almost every discipline, from sociology to anthropology to psychology. And the discipline of biblical studies is no exception to that rule.
