Create Your Own Printable Board Game | LoveToKnow

Our tradition of designing board games started way back in the 70s, when our father created games for educational purposes. We grew up playing these games, and quickly learned that creating board games was as natural as playing them. From a family of 16 siblings, 5 of us started the family business FryxGames in 2011, and has since released 6 games.

FryxGames is creating board games | Patreon

Some of today's most incredible inventions are the work of makers. These people apply creativity to the latest technology to build a variety of remarkable homemade devices. Whether they are programming tiny computers, designing their own board games, or finding new uses for plastic, makers work together to share new ideas and technology.
