Psych Exam 1 Flashcards | Quizlet

About My Practice. Hello there, My name is Paul Smith. I am a psychiatrist who specializes in a combination approach to mental health problems. In order to treat you as a whole person, I combine psychotherapy with medicine to optimize the best possible treatment for you as an individual.Most mental health issues respond better to a combination of medicine and therapy than either one alone.

Paul J. Smith, M.D.

In his lifetime, Dr. Richard Smith has made significant contributions to US healthcare. Most notable were his efforts to desegregate thousands of US hospitals during the Lyndon Johnson administration, and the founding of the MEDEX Northwest physician assistant program at the University of Washington School of Medicine in 1969. In this 2-part story, we look back on Smith's inspirational ...
