### Further Education And Training Question

This is a double-edged sword question. On the one hand, the employer will typically want you to pursue further training and education that will help you to succeed in the role. On the other hand, the employer is typically not interested in candidates who are only using the role as a stepping stone to higher education and potentially going on to other employers. The best approach to answering this question: You need to fully understand the further education needs of the role.
