Student wellness is typically offered in many locations on campus including a recreation center, health center or even student union or housing. Bringing all these programs to a single place and co-locating them with health and counseling makes much sense.

A new age for campus health and wellness

Wellness and health are interrelated, but distinct concepts. Health is considered freedom from disease; it is the condition in which people are able to do their most constructive work, provide the best possible service to the world, and experience the highest possible enjoyment in leisure-time experiences.
