Podcast: Living Better, Living Longer - Harvard Health

It is the Nobel Prize winning Linus Pauling's last book on health and nutrition. I have read many books on nutrition, medicine, physiology, biochemistry, endocrinology, pharmacology, microbiology, and this rates at the top of the list. It is practical and easy to read, and filled with scientific studies showing "How to Live Longer and Feel Better".

How to Live Longer and Feel Better: Pauling, Linus ...

This is a great book. I came away from reading it with a lot of respect and admiration for Linus Pauling and his work. The world would be a far better place with more people like him in it. At the start of the book, Pauling gives a simple guide to how to live a healthier life. It's so simple, practical and inexpensive and makes so much sense.

How to Live Longer and Feel Better by Linus Pauling

He viewed making the pursuit of indefinitely long life a goal in and of itself as wrong-headed. "Will life extension make the world a better place, a kinder place? Has extended life expectancy ...
