Making Peace with Herpes is the most thought-provoking and original book ever written on the subject of herpes. Christopher Scipio started off as a victim of the virus and transformed himself into one of the most experienced holistic practitioners who treats herpes in North America. He is an outspoken advocate of treatment without drug therapy".

Making Peace with Herpes: A Holistic Guide to Overcoming ...

For our purposes, peacemaking is not a process of passive acceptance of mistreatment, a turning of the other cheek in the face of clear injustice or abuse, or other weak images of meekness or nonresistance. Instead, peacemaking is a vibrant, powerful concept. At its best, peacemaking creates relational and structural justice that allows for social and personal well being.

What is Peacemaking?

The U.S. Institute of Peace (USIP), a sponsor of the contest, has developed this study guide in partnership with AFSA to provide a basic introduction to the topic and some additional context that can assist you in answering the question. However, you are tasked with developing your own unique response and, as such, this guide should
