Rethinking Indian Political Institutions

In an era dominated by news of state failures in many Asian and African countries, the political institutions of the Indian state present an unusual combination of flexibility and stability. Within a democratic system, they enable the state to absorb and respond to popular pressures while winning public support for radical solutions to pressing social problems.

Rethinking Indian Political Institutions edited by Crispin ...

Over the past quarter century, India has experienced transformative changes in the realms of the economy, foreign policy, politics, and society. Despite these historic shifts, India's public institutions have not enjoyed a similar transformation. Yet, the ability of government to address challenges from corruption to urbanization will fundamentally define India's trajectory in the 21st ...

Rethinking Indian Political Institutions

Rethinking Public Institutions in India. Edited by Devesh Kapur, Pratap Bhanu Mehta, and Milan Vaishnav. Description. This work analyzes the challenges of governance faced by contemporary India. It argues that while the expansion and growth of India's private sector and a vibrant civil society can fill in for some of the shortcomings of the public sector in the foreseeable future, there is a wide range of core functions from regulation to security, from social inclusion to public goods ...
