South African Family Practice Manual (Hardcover, 3rd ...
The first edition was a collection of articles that had appeared in South African Family Practice (under the guidance of Manfred Teichler), focusing on common practical aspects of family practice. The second edition of the manual was a substantive rework of many of the topics. The third edition of this valuable manual is timely, as there have been a number of policy developments in South Africa that impact significantly on how family medicine and generalist care are conceived and practised.
