The New Parent's Guide to Traveling With a Baby for the 1st Time To the surprise (and disappointment) of many other travelers, we have flown with our infant since she was eight weeks old. At 22 months, she has flown more than 100,000 miles to 15 countries on four continents -- some of them several times -- and (I will get hate mail for this) often in first and business class.

Mottling: A new baby's skin can also look blotchy or mottled. This is especially noticeable if the baby is uncovered or cold. Mottling can also occur if your baby is ill. If your baby's skin color becomes pale or mottled, take her temperature. If it is higher or lower than the normal range, call your baby's doctor.
