### The Tables Of The Law

The Tables of the Law is a 1944 novella by German writer Thomas Mann. It is a dramatic retelling of the Biblical story of Moses contained in the Book of Exodus, although some of the laws which Moses proscribes for his followers are taken from Leviticus. It was the only story that Mann was ever commissioned to write, and he finished it in just eight weeks, beginning on January 18, 1943, and ending on March 13, 1943. Publisher Armin L. Robinson, believing the Ten Commandments to be the basis on wh

The second tables were the work of man, but the writing was still the writing of God (Exodus 34:1). They stand above the ceremonial law, as an abridgmt of the duties of man, and are of lasting obligation. 2. They agree with the law written in man's heart. They are in full accord with our moral intuitions.

This division between the first and second tables of the law roughly corresponds to the distinction between legislating religion and morality. Under the First Amendment, the state has not jurisdiction to address essentially religious questions, such as when, where, how, or whom to worship. The first table of the law is out of bounds to the state.
