Vlamgat Story Mirage South African

'Vlamgat' is the evocative term in Afrikaans for jets and their pilots - quite a suitable title for a book on the Mirage F1s history in the South African Air Force. South Africa - like Iraq - actually used the Mirage F1 extensively under war conditions. 'Vlamgat' starts in the mid 1970s with the procurement of the F1, the more powerful successor of South Africa's Mirage IIIs.

The tempo of change in Southern Africa has caused one nearly to forget the Namibian bush war of the 1980. The historical scene has also been dominated by the centenary of the Second Anglo-Boer War and the memory of 120 years ago the year before last year with the crucial battle of Isandlwana and this year the battle of Majuba. Although it is important to comprehend the impact of the above ...
